Mark 1:1-8

John the Baptist prepares the way

We welcome to Holy Communion (HC) those who:

- 1) *are baptised and believe that Jesus Christ is their Lord and Saviour and repent of their sins,*
- 2) *take Jesus at His word—that with this bread and wine we receive His body and blood,*
- 3) *believe that in this meal they receive forgiveness of sins, life and salvation.*

Should you not wish to receive Holy Communion, you may remain in your pew or come and receive a blessing at the altar rail—crossing your arms to signify your intentions.

Your ALWS Gifts of Grace help a child like Tereza grow enough food to eat as she finds safety in a refugee camp in Kenya. See your love GROW this Christmas!

GIFTS OF GRACE:

For Christmas this year, why not give gifts that GROW? Your kindness will bless someone in a poor community who really needs your help. Choose from more than 20 gifts, starting at just \$5 – with 5 gifts under \$10. (All are fully tax-deductible!) Each gift has its own Grace Card with a photo of your gift and a message from a person you help. Grace Cards can be hung on your Christmas tree. After, they can be planted to

blossom into beautiful forget-me-not flowers! You will also receive a unique Christmas tree ornament crafted by people with disability from recycled CDs and Batik they designed. Order at alws.org.au or phone 1300 763 407.

ALWS CHRISTMAS ACTION 2023:

The goal for Australian Lutheran World Service Christmas Action 2023 is to support 2,500 learners with disabilities in Somalia to go to school. Also to support 1,000 younger children with disabilities to receive the support they need to live life to their potential. To do this, ALWS aims to raise \$30,859 by 31 January 2024, to be matched 5:1 by the Australian Government.

Why you are needed?

In Somalia, 60 per cent of the population is under 18 years old. Life expectancy is only 51.5 years. After 5 years of drought, 1.4 million people are displaced from their homes. Eighty per cent of these people are women and children. Children with disabilities struggle the most because they face stigma and rejection, inadequate facilities, a lack of health services, neglect, psychosocial distress, and forced child labour. Children with disabilities miss out on education because there is a lack of disability-trained teachers and disability-friendly learning materials, latrines, desks and uniforms. Parents also have a high rate of poverty. They are invisible in Somali society, often hidden at home, and there is a low awareness and advocacy for their needs.

Every donation you make to this project will be combined with funding from the Australian Government to reach more people. ALWS has committed to contribute \$1 for every \$5 received from the government. Your donation will allow us to extend our programs. If you would like to make a donation please call 1300 763 407 or visit the website at alws.org.au/grace.
